NEVADA CITY NUGGET GRASS VALLEY

COVERS RICHEST GOLD AREA IN CALIFORNIA

A TWICE-A-WEEK NEWSPAPER MONDAY AND THURSDAY

Vol. 20, No. 82 | The County Seat Paper | NEVADA CITY-GRASS VALLEY, CALIFORNIA | The Twin Cities Paper | THURSDAY, OCTOBER 17, 1946

MAIN AT MILL

By BOB PAINE

"Growing with Grass Valley" is the slogan of the Grass Valley Chamber of Commerce.

As this column makes its debut in the first edition of the Nevada City-Grass Valley Nugget it will stress from time to time the policy of this paper—Twin City Co-Operation.

We are happy to be part of the our golden history and record the comings and goings of the passing parade at Mill and Main.

People in the past used to think there was a fence across the highway midway between the cities. Imaginary as it always was that roadblock is almost gone. We want to contribute to it's complete disappearance.

We want to make this a column of easy reading chit-chat. From time to time we will look backward to our golden history and to record the golden future.

A column is only as good as the reader interest in it. So kind reader whisper into our ear and help us to boost your card party or your football games. Tell us the forgotten stories of Lola Montez and the miners. Tell us of the new church you have planned. For many will be the bouquets and few the brickbats.

We often wondered if the old college professor was going to be a match for GI Joe when he returned in droves to college this fall. So far at Placer College the 'ol' professor is taking quite a beating. In one class the Ex GIs told the teacher to be sure and reserve a seat for Joe Bendover, a hard of hearing, near sighted vet who would have to sit near the front. So ordered. So done. Every attempt to occupy the chair met with noisy disapproval. The bewildered prof kept waiting or Joe to show up. When election for Sergeant of Arms came around Joe got all the votes. Which sent the prof to the registrar to see when Joe would be due. Absent Joe Bendover at Placer is becoming as traditional as Kilroy.

There was one picture of particular interest at Mrs. Dallas Fellerson's showing of colored pictures taken by herself while serving in the ETO as an army nurse during the recent unpleasantness. It is the picture of the magnificant castle in Bavaria where Lola Montez held sway as the King of Bavaria's mistress. Few students of Grass Valley history have had the thrill of visiting both Lola's Mill Street home and the castle where the violent Montez reached the heights of her hectic career. Mrs. Fellerson entertained the Nurses Association will her set of personally photographed colored shots of the tour of the 51st Evac Unit in Italy and Germany.

The Nevada City Yellowjackets were more than pleased with the reception they got when they played for the first time on the Miners field at the James S. Hennessy school last Saturday. In appreciation of their kind acceptance on their traditional rivals home territory a nice wins were turned in on both contests over Placer. The Jackets play Marysville under the lights at Grass Valley starting at 6:15 tomorrow night.

Add things we never knew till now—that Grass Valley's faithful mail carriers—Sid Moyle, Bud Dower, Johnny Nankervis and Carlton Pascoe each cover 25 miles a day making their rounds.

FRIDAY FISH SANDWICHES

What kind of sandwich shall I put in the Friday lunchbox? Try minced sardine says the General Electric Consumers Institute, adding chopped hard boiled eggs and a little prepared mustard. Moisten with mayonnaise or salad dressing. Or flake left over boiled or baked fish adding chopped celery, sweet pickle and enough salad dressing to moisten.

STOCKTON FLIGHT TO VISIT AIRPORT

A flight of about ten Stockton sports planes, containing 20 members of the Stockton Flying Club, will visit Nevada City's airport and the surrounding country Sunday, October 27th, according to a telephone call received by Chamber of Commerce President H. S. (Bert) Foreman, at 1 p. m. Wednesday.

Reason for the visit is Nevada City's warm hospitality. When the Santa Cruz Flying Club flew in on September 22, they were met at the airport by a committee including Foreman, H. S. (Si) Sofge and Mrs. Harold Deeter, invited to breakfast and escorted to points of interest in the area.

Two members of the Stockton Flying Club were present in the flight and spread the good word of Nevada City's friendliness to their club. This stimulated the Stockton group to plan the excursion scheduled for October 27th.

Nugget Biographies

JAMES C. TYRRELL

Among the many well known businessmen of Grass Valley who have long been in the public eye is James C. Tyrell, who recently announced that he was leaving the management of the Bret Harte Inn at the end of the current month. This separation means more than a man leaving a business. It ends a connection that had its beginning in an association of men who financed the hotel building and who established the business. When lessees found it an unprofitable venture and the owners were obliged to take it over from a bankrupt lessee in 1929. Mr. Tyrrell stepped into the breach and transformed it into a paying business.

Born in Grass Valley in the seventies Mr. Tyrrell grew to manhood among the friends and associates of his youth. Graduating from the local high school he enrolled in the College of Dentistry of the University of California, but did not continue in that profession. The lure of the newspaper business ensnared him and he followed that profession in this and other cities both as employe and owner of many newspapers. In 1902 he was appointed postmaster through the influence of his brother, who was Senator representing Nevada and other counties. During the thirty two years he served Grass Valley as postmaster, and acting postmaster during a part of a Democratic administration, he maintained his connection with the work that was always nearest his heart, and still contributes in a small way to a record of doings that are familiar to him.

He has been engaged in various other enterprises that have left their mark upon the community. He was one of a group that bought out the moving picture shows in the early twenties, and this group enlarged and improved the business until it was later sold to a San Francisco syndicate for what was thought at the time to be a very satisactory amount.

About the same time he embarked in the theatre business he joined some of the same men in taking over the defunct Narrow Gauge railroad, which the former owners were anxious to abandon because of the constantly recurring loss to them over the years, and because the State Commission would not permit its abandonment. In this enterprise J. E. Taylor was the moving spirit. He restored it to a condition of prosperity, built terminals on the site of old Chinatown, established a bus line and secured a freight franchise from Sacramento the Nevada City. This business was sold a few years ago, and while no figures were given out it is known to have brought the owners a substantial sum.

During all these years since 1920 Mr. Tyrrell has owned and operated the Mountain Oil Company distributing heating oil to a portion of the residents of the two communities, and which property he will continue to supervise and maintain.

In civic life the subject of this sketch has always been in the foreront when any project of advancement was undertaken. He was secretary of the Chamber of Commerce for several years and took part in many of the ambitious projects conceived and carried out by that organization, one of which was the building and financing of the hotel, previously mentioned, the building of Memorial Park, and the organization that finally resulted in having the state build an east-west highway rom Ukiah to Lake Tahoe In recent years he has been and still is chairman of the Selective Service Board for Nevada County. During the various bond drives he served as county coordinator for raising funds to carry on the war, and he is the possessor of medals and certificates of appreciation for the manner in which the work was carried out.

Mr. and Mrs. Tyrrell will occupy quarters in the Osborn Apartments on Church Street in Grass Valley after leaving the hotel.

DOWNEY CLINCH WINS WITH SHARP SCORE

Downey Clinch won the Nevada County Golf Club sweepstakes Sunday in a walk, when he trimmed 10 strokes off his average, scored 74 gross and won with 60 net.

Robert Moore grossed 84 and won second place with 64 net. Clarence Rush and Fred Conway tied for 3rd with 66.

Sunday the home greens will be the scene of a contest between the local club and a U. S. Engineers team of Sacramento, consisting of 20 players.

Ladies of the club are planning luncheon refreshments and Don Hume, club pro, will offer prizes for low scores.

WORLD PROBLEMS DISCUSSED BY REV. FRANK BUCK

Rev. Frank Buck, rector of Emmanuel Episcopal Church, addressed the Grass Valley Business and Professional Women's Club Wednesday evening at dinner in Bret Harte Inn.

A special program on international relations was arranged by Miss Bernice Glasson, chairman. Rev. Buck's topic dealt with the world problems presented in the Paris Peace Conference, the Dardanelles, and the outlook for the international tribunal.

Miss Elizabeth Smith who was visiting her parents, Mr. and Mrs. Leland Smith has returned to Los Angeles to resume her position with the Nedra Art Studios.

G. V. CHAMBER PLANS PARTY ON HALLOWEEN

The Halloween Committee of the Grass Valley Chamber of Commerce will hold its first meeting Monday night, under chairman Art Remple. Members of the committee are Gilbert Tennis, Gene Hightower, Howard Staats, J. M. Howard, Carl Dart, Robert Kerr, Forest Airington, J. A. Brown and A. K. Girard.

The committee will arrange Grass Valley's annual Halloween party for grammar school children and high school youths. The celebration will be patterned after last year's event, when over 200 costumes were provided for local children and a dance was held at the Veterans Memorial Building after the party for high school boys and girls. Prizes were offered for best costumes.

Two-fold purpose of the entertainment is to entertain the young and to distract them from the merits o garbage can dumping et al, as a Halloween pastime.

HUNTING WOUNDS FATAL FOR BOB BIRNIE

Robert Birnie, 20, son of Mr. and Mrs. E. F. Birnie of Glenbrook, died Wednesday morning at 2:30 a. m. at Elko, Nevada, as a result of gunshot wounds suffered in a hunting accident Tuesday morning.

He is survived by his parents and two sisters Mary and Friendly. He had recently been discharged from the armed services, and was working as a civilian employee at Camp Beale.

The body will be returned to Grass Valley for burial. Funeral arrangements have not yet been announced.

THOMAS O'DEA IN JAIL AGAIN

Thomas O'Dea, candidate for sheriff of Nevada County who was eliminated at the June primaries, arrived Tuesday yesterday from Sierra County for a brief stay in the county jail.

O'Dea was arrested in Downieville on charges of stealing government property and for impersonating an officer of the Bureau of Investigation. He was accompanied by two FBI agents and Sheriff Dewey Johnson of Sierra County. O'Dea was wearing handcuffs.

O'Dea attained considerable notoriety following the shooting of William Ebaugh, wild man of Willow Valley, who was accused of killing Henry Lewis, two years ago. Lewis, a veteran discharged from service, was deer hunting when shot in the back. A pool of blood among the pine needles was found near the hide-out of Ebaugh, who had been hunted for several months on a charge of cattle stealing. Irvin Davis, a citizen who shot Ebaugh when he refused to surrender, was exonerated by a coroner's jury.

Immediately after jury verdict, O'Dea circulated petitions directed to the attorney general and the district attorney calling for the arrest Davis and an investigation of all circumstances attending Ebaugh's death. During the circulation of petitions he became involved in a brawl, was arrested by Grass Valley police and charged with resisting an officer. A jury in the township court acquitted him.

PIKE CANARIES SOLD IN SOUTH

There are lots of ways to make a living. Mrs. W. A. Godfrey, at Pike, California on the way to Alleghany raises singing canaries and sells them in Southern Califfornia. The birds are shipped by express with water containers and feed racks in the carton they are shipped in. In Southern California they are advertised truthfully as "mountain grown canaries."

DEMOCRATS FOR KNOWLAND CLUB FORMED IN COUNTY

Paul G. Ullrich, chairman of the Republican County Central Committee, yesterday announced the formation of a Democrats for Knowland Club in Nevada County.

Leading members of the club, Ullrich stated, are C. H. Barker, real estate and insurance broker, Neil O'Donnell, executive vice president of the Idaho Maryland Mines Corporation, Errol MacBoyle, director of the Idaho Maryland, all of Grass Valley, E. M. Rector, retired vice president of the Bank of America, Nevada City, Ross F. Taylor, county surveyor of Sierra County, Matt DePauli, past commander of the American Legion and Grass Valley merchant.

In making the announcement Ullrich said: "It must be quite apparent to all observant citizens that there is chaos in the ranks of the Democratic party in California, brought about by the multitude of mistakes, and vacillating policies of the administration, and by Mr. Henry Wallace.

"'This muddled situation has alienated large numbers of conservative Democrats who not only cannot and will not go along with the 'off again, on again' policies of the New Deal crowd, but who, also, having the interests of California at heart, demand strong representation in Washington, D. C. for this state.

"That representation is U. S. Senator William F. Knowland. Because these Demorats admire his straightforwardness and ability they are working quietly and efficiently for his retention in the U. S. Senate.

"'Within a few days a large number of Democrats for Knowland Clubs will mushroom throughout the state. I am glad that Nevada County is in the van of this movement."

NUGGET TODAY BECOMES TWO CITY NEWSPAPER

The Nevada City Nugget, with this issue becomes the Nevada City-Grass Valley Nugget. After 19 years of publishing, the paper is broadening its scope to cover the whole community of two cities.

Main new features is complete coverage of Grtss Valley news. The new policy includes, besides equal treatment of stories of both towns, developing a growing list of correspondents in outlying communities. North San Juan and Camptonville are already represented in the paper. Other communities will soon be added.

Prime editorial policy is to be promotion of civic and commercial welfare of both cities, with emphasis upon the value of co-operation.

The Nugget's expansion is to be based on greater service to both communities, according to H. M. Leete, Sr. publisher.

VFW-LEGION STAG PARTY TUESDAY

The American Legion and the Veterans of Foreign Wars will hold their first joint social session when both organizations meet for a stag smoker at the Grass Valley Memorial Building at 8 p. m. on Tuesday, October 22.

Commander Fred Garrison of the VFW and Commander Victor Tamietti have requested members of their respective organizations to show up in large numbers and to wear the cap of their own post. Musical with other entertainment is planned by the committee.

IOLA BARNES WEDS IN SOUTH

Miss Iola Barnes' many Nevada City friends will be interested in her marriage to Garland Parrish which took place at the first Lutheran Church in Pasadena last August 28th.

Miss Barbara is the daughter of late Mrs. Georgia Barnes, long time Nevada City resident. For the past several years Iola taught school at Salinas but every summer found mother and daughter spending at least part of their vacation in Nevada City.

The newly married couple will make their home in Pasadena when the groom is engaged in the dry cleaning business.

FARM MARKET CELEBRATES 'APPLE DAY'

Saturday is a holiday, or festival of sorts—its Apple Day at the Nevada County Farm Market, when apples of all kinds will be displayed in abundance at the market on the Lake Olympia Road.

Hugh D. Brown of Grass Valley, Secretary of the Nevada County Farmers Market.

Everyone who makes a 50 cent purchase Saturday will get a chance on an especially packed gift box of apples to be awarded at 7:30 p. m.

Apples raised in Nevada County are known for their high sugar content and the selection Saturday is expected to be unusually choice, since the apple season is at its height.

BOY ACCUSED OF AUTO THEFT

John Gwin, 17, is in custody charged with grand theft. He was apprehended Saturday night during the football game between Nevada City and Placer teams on the James S. Hennessy Field in Grass Valley, in possession of Buick sedan belonging to Hugh Gillespie.

MEAT EXTENDERS

If your problem is meat scarcity and it is with most homemakers these days, use as many extenders as possible, says the General Electric Consumers Institute. Combine well seasoned raw meat or ground cooked meat with boiled rice, bread crumbs, thick white sauce, mashed potatoes, cooked corn meal or oatmeal. Mold into patty cakes for quick top of range cooking or leaves for oven baking or use to stuff green peppers or squash.

TOASTER CARE

To prevent your toaster from getting "crumby" inside the General Electric Consumers Institute says to use a soft brush to remove the crumbs. Never hold the toaster upside down and shake it violently.

GEIST TO TALK AT LIONS CLUB

Lloyd Geist, principal of the Nevada City Elementary School, will be guest speaker tonight at the dinner meeting of the Grass Valley Lions Club in Bret Harte Inn.

His topic will be Proposition No. 3 which will come before the voters on the November 5th ballot. Dennis Christian, member of the Grass Valley high school faculty will be program chairman.

TO CLEAN BURNT PANS

The way to clean burnt or extremely greasy cooking utensils, says the General Electric Consumers Institute, is to run about one inch of cool water into the utensils. Then add one teaspoon of washing soda, put covers on the pans and let them heat to the boiling point. It loosens the grease and burnt area.

CLEAN HEATER REFLECTORS

To clean the reflector on your portable heater says the General Electric Consumers Institute use a slightly damp rag wound on the end of a stick for accessibility. Be sure the heater is disconnected. A shiny reflector will naturally give off more heat.

ITALIAN WAR BRIDE TO BE AWAITED HERE

A romance that started in far away Italy shortly after the fall of Rome in June 1944 will have its happy ending in Nevada City in the not too distant future. Leroy Hoskins, City of Nevada employee, anxiously awaits the arrival of his Italian sweeheart, Miss Carmen Petrusig.

Since his discharge last November Hoskins has been making every effort to have his bride to be brought to the United States. He has been greatly assisted in the apparently endless necessary negotiations by the Nevada City Red Cross. Last week final papers were forwarded to authorities in Italy and a cable advising of the departure of Miss Petrusig for her new home is expected momentarily.

Hoskins, seventeen months in Italy, met his sweetheart in the village of Grorizia, 20 miles above Trieste near the Austrian border. Hoskin was a soldier in the famous Green Tree Division, the 91st, that joined with the 34th Division in the fall of Rome and continued their rapid advance in Northern Italy. For over two months Hoskins was stationed directly in the town of Grorizia and was able to visit Miss Petrusing frequently after his outfit moved on.

Wells-Cornish Nuptials Last Saturday

Miss Marian Cornish became the bride of Wilbur H. Wells Saturday evening, October 12, in an impressice marriage service in the Methodist Church with the pastor, Rev. Jesse Rudkin officiating.

The bride is the daughter of Mr. and Mrs. James G. Cornish of Grass Valley and a graduate of the Grass Valley high school. Both she and her husband have been employed at McClelland Field. They will make their home there following their return from their honeymoon.

For the marriage ceremony, Mrs. Rita Morrison played the wedding march from Lohengrin on the organ. Mrs. Anne Hathaway was soloist. A reception followed the marriage in which scores of friends and family members congratulated the happy couple.

CAKE FLOUR SUBSTITUTE

If your recipe calls for cake flour and you have only bread flour in the house, you can use it, says the General Electric Consumers Institute if you sift the bread flour several times before measuring and use two tablespoons per cup less than the amount of cake flour called for.

The white oil from which cold creams are made is a highly refined, odorless, colorless oil made from specially selected crudes.

PERSONALS

Mr. and Mrs. Ray Spickelmier have named their new daughter Cynthia Ann.

Mrs. Margaret Reed, visiting Red Cross nurse spent four days in Westwood as guest of Miss Verna Steinkellar former surgical nurse of Jones Memorial Hospital.

Mr. and Mrs. Charles Elliott accompanied by William Home spent Tuesday in Sacramento.

Uncle Tom Coan was 78 years old last Sunday. The happy event was celebrated with a birthday party at which Mr. and Mrs. Joe Mason and Mr. and Mrs. Fields were hosts to the guest of honor.

MISS COMMONS GUEST OF HONOR AT SHOWER

Miss Juanice Commons of Grass Valley who is soon to wed Robert Lystrup, was guest of honor at a miscellaneous shower Friday night, October 11. Miss June Jory, Miss Betty Joan McCullough and Miss Mildred Jory were the hostesses.

Table decorations included white tapers and a cake, encircled with a ring of white carnations. Those at the party were Carol Painter, Eleanor Norton, Lois Erickson, Iris Tarrill, Beatrice Commons, Lillie Shaw, LaVerne Glover, June Price, Wanda Giovanetti, Marie Lystrup, Mona Williams, Hilda Jory, Paula Patton, Dorothy Hosking, Ramona Williams, Nancy Terrill, Juanita Hocking, Ann Abas.

NEWS FROM THE RIDGE

By ALICE HILL

MORE ABOUT THE FAIR

As this epochal century for the Mother Lode draws to a close, there are signs of a still more enduring Eldorado being built Phoenix-like among the ashes of past glories.

Sponsored by the North San Juan Farm Center an exhibit of products of the soil was given on October 11. To those whose acquaintance with our section has given them a love of these beautiful hills tnd forests and an interest in its stirring history, can be added the assurance that here also is an ideal country where soil and climate give to fruit and vegetables flavor and quality unknown in lower country products. The display of improved varieties of chestnuts and English walnuts by the Lou Woods show the way to profitable cash crops pre-eminently adapted to this locality.

Special mention is due to the prize Zuccini squash exhibited by Prooms, the immense banana variety by Fred Butz of Celestral Valley, giant tomatoes by Leo Chatfield of Camptonville, apples by H. H Brown, orchard products from the Dorris ranch and garden products from Wright Colman's types of field corn adapted to this section from Wade Oden's ranch and grapes from Hill-Top place. The Madames Bradley, Hall and Martin and Miss Lena Dahneke contributed floral displays.

Fancy work was entered by Phyllis Butz, Rose Wood, Ruby Martin, Peggy Brown and Erma Colman, who had a very large and beautiful display of crochet doilies and embroidered pillow cases.

The art department featured oils and charcoal drawing by Mrs. Mary Brown, plastic and oils by Mrs. Jessie Homs and drawing by Mrs. Betty McQuinn Webster which equals the work of any of Walt Disney's artists.

Mr. Brooks our Nevada County Farm Advisor gave a short address explaining the functions of his office and the many helps which are free to our residents. A very informative display of pressed specimens of forage plants and noxious weeds together with samples of a section of useful crop seeds, some quite new to this section. A convenient register by those desiring information can obtain any of many helpful bulletins published by the Extension Service of the University of California at Berkeley was on display.

Some of those entering particularly noticeable displays were the Fred Butz family, H. H. Brown family and Wright Colmans. Mrs. Ruby Martin and mother, Mrs. Porter had many interesting antiques and souvenirs exhibited. Mr. and Mrs. Lou Woods entered the first known typewriter to be brought into the North San Juan and a pair of hand cuffs used in the local jail of an early day. Mrs. Anna McQuinn had a fine display of German cards and lithographs of a day long past. Fred Conner displayed footwear worn by some ox teams that helped in the pioneering of this country. A variety of Indian artifacts exhibited by R. C. Hill attested to the people who had our forests and hills as their domain only a century ago.

A capacity crowd was assembled and after viewing the exhibits were treated to a color film "Wings Over Alaska" and "The Amazon River", courtesy of General Petroleum Co., and a comedy.

Light refreshments were served and the evening was completed by old time string and square dances, with music and instructions, (lead) were furnished by Mr. and Mrs. Jenkins which were enjoyed by old and young. This last promises to be a regular feature of our monthly Farm Center meetings. Through the courtesy of Mr. and Mrs. Lou Wood, this fair was held in their newly conditioned hall.

Mr. and Mrs. Phil Fodrini from San Francisco spent the week end with his sister, Mrs. Rose Wood and husband.

The M. A. Bryan family spent several days in San Francisco on business and pleasure.

Recently Mr. Marchington and his hunting companion were guests of Mr. and Mrs. M. A. Bryan. The party were fortunate to bring home a four pointer.

Mr. and Mrs. Art Robinson former residents of North San Juan who operated a sawmill at this place, were guests of the Fields during hunting season.

Jerry McQuinn, son of Mr. and Mrs. George McQuinn who now is an employee of the Bell Telephone Co., of San Francisco, spent the week end with his parents.

The 4-H Club of the San Juan Ridge is building a clubhouse on the Cecil Rhoades property.

A family reunion was held at the home of Mr. and Mrs. Hayhurst when all three veteran sons, Warren and Spivie of Tracy and Tom and his wife from Fresno, were together for the first time since the opening of World Wtr II.

North San Juan extends a welcome to its newest bride, Frances Mallette from Mt. Vernon, Washington, now wife of Allen McNeer. They were married September 23 in Reno, and now are residing at the McNeer home which was formerly the Methodist parsonage place on San Francisco Street.

Bill Brown, son of Mr. and Mrs. H. H. Brown has entered the University of California at Davis.

The local primary teacher, Mrs. Herald was hostess to the older pupils of the school at a party in her home Saturday night. Various games and a scavenger hunt were participated in. Refreshments were served in quantities and a jolly time was had by all.

The school opened with an enrollment of 36 pupils which now has increased to 48.

FIFTY YEARS AGO

NEVADA CITY 75 YEARS AGO

Chas. Kelsey and others had located 1500 feet on a quartz ledge on the north side of Banner Mountain.

The following pupils were placed on the roll of honor in the Second Primary School, Miss Emma Palmer, teacher: Willie Gray, Emma Runge, Isabel Price, Emma Schemer, Joseph Long, Eddie Guild, Emily King, Annie Weber, Lizzie McCrindle, Margaret Silver, Mary Hothersall, Willie Ragan, Willie Quigley, Minnie Blausauf, Ella Greely, Gussie Hoffman, Willie Riley, Willie Cannon, Frank Nilon, Nicholas Weber, Rovella Snelling, and Chris. Weber.

John Cashen and Senator Chas. Kent had started work at their packing plant, a shirt distance from town.

A lady who resided on Boulder Street heard two reports of a gun as she was sitting at her window. As she left the window, a third shot shattered the glass. Those who use fire arms were asked to be more careful and not fire in the direction of dwellings.

Item: The city has a standing invitation to cholera or some other plague in the sewers from Spring Street to the Suspension Bridge. Persons passing along the walk on Pine Street are compelled to hold their breath. Something ought to be done with this place as a sanitary measure.—Transscript 1871.

The following are the names of pupils placed on the Roll of Honor in the grammar school, T. B. White, teacher: Cora Louie, Louise Shaffer, Annie Cashin, Lizzie Moore, Mary J. Peard, Ida Smith, Martha Jack, Alice Dorsey, Efie Adair, Hattie Nelson, Laura Graham, Addie Stranahan, Jennie Munro, Alice Mead, Ada Barker, Catherine Arbogast, Nelson Sanborn, Thomas Coughlan, Amile Rosenthal, John McLaughlin and Earl Caswell.

NEVADA CITY 50 YEARS AGO

F. L. Arbogast purchased the Irish residence on East Broad street, occupied by I. W. Fancher and family. Mr. Arbogast planned to move in shortly.

Coffey and Weisenburger had begun to build the stonewall between the Broad and Main street bridges on the Plaza side.

Miss Belle M. Stover of this city was granted a patent for a sweat proof hat band, made of spun or woven glass. She was awarded a silver medal by Wedderburn and Co. patent attorneys of Washington.

M. Solari opened a winery in the basement of his Broad Street building to be known as the Nevada City Winery.

NUGGET RECIPES

LIME LINGERS TO REFRESH FALL DISHES

It's autumn but the tall drink special big, juicy Florida limes, still tarry to send a ripple of refreshing flavor through fall main dishes and desserts.

If you've never known Florida's limes except in an ade, treat yourself to fragrant tropical flavor by liming your repertoire of favorite salads, fish dishes and desserts. A wedge of lime served with fish does justice to the finny aristocrats of the ocean. Try chilling first course fruit cups in lime juice for fragrance and pointing up of flavors.

Vitamin C In All Florida Fruits

Like its big sisters, oranges and grapefruit from Florida, limes have vitamin C to make this fruit as important for nutrition as it is versatile for menu uses. Tie on to the big, seedless limes from Florida now to make saucing, serving and sipping eventfully varied. These new recipes will lead you to limes with a flourish.

Flroida Fish Sauce

4 tsps butter or margarine
4 tsps Florida lime juice
2 tsps chopped parsley
1-8 tsps paprika
1-4 tsps salt

Melt butter slowly, stir in Florida lime juice, parsley and seasonings, and serve hot over cooked fish or seafood or over hot cooked vegetables for piquant flavor.

Lime Dinner Ice

1 cup light corn sirup
2 tsps sugar
1 1-2 cups water
Dash salt
1-2 cup Florida lime juice.

Combine sirup, sugar and water and heat until sugar is dissolved; cool and add salt and Florida lime; juice. Pour mixture into freezing tray of automatic refrigerator with temperature control set at coldest point; freeze until firm, stirring occasionally. Serve with fish and seafood dinner. Makes 1 1-2 pints.

PREVENT CHEESE MOLD

To prevent cheese from getting moldy wrap it in a piece of cheesecloth which has been dampened with vinegar, says the General Electric Consumers Institute. Then place in a covered container. Occasionally moisten the cloth with vinegar to assure fresh cheese.

The Kansas wheat farmers say that box cars are so scarce as to give rise to the suspicion the OPA has been handling them.

After its brief vacation, the OPA has resumed where it left off raising ceiling prices.

BREAD ON THE WATERS

A Milwaukee man lost his wallet in a taxi. Only identifying card in it was a receipt showing his contribution to the American Red Cross fund campaign. The taxi company by checking his name with the Red Cross membership roll found his address and returned the wallet.

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corncob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the *Clarion*, it looked so unmussed; didn't have any appetite with nobody to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corncob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they *are*, too!

Veterans' News

Many veterans are signing up with the Veterans Administration in good faith for on the job training without making sure the firm where they are employed is approved to give training. Some find after the expected subsistence check does not arrive that the firm has not been approved.

The veterans administration may not pay subsistence to a veteran during on the job training unless the place of his employment has been approved by the appropriate state agency.

Certain standards must be met before an establishment can be approved as a place of training under the Servicemen's Readjustment Act. If an employer doesn't know where to apply for such approval, the nearest VA office will be able to advise him.

Q: If an employer has been granted approval to give on the job training after a veteran began work for him, will the veteran be eligible for subsistence pay from the time he started training?

A: If the veteran is otherwise eligible and the firm has been approved retroactively to cover the beginning date of training the answer is yes.

Q: I am going to college under the Servicemen's Readjustment Act and working full time on the side. Am I eligible for subsistence payments.

A: Amount of outside work is no longer a factor in determining eligibility for subsistence. You may receive subsistence as long as it, combined with your other income, does not exceed $175 or $200, depending on whether or not you have dependents.

Q: May I make larger payments on my GI loan than my regular installment when I am able?

A: Yes. You have the right to repay at any time without premium or fee the entire indebtedness or any part of your loan but noe less than the amount of one installment or $100 whichever is less.

Q: Can I change the beneficiary of my national service life insurance without letting the beneficiary know anything about it?

A: Yes. A veteran may change the beneficiary or beneficiaries of his NSLI at any time without their knowledge or consent by notifying the VA. For further information consult he nearest VA office.

Q: Is a veteran's wife entitled to medical treatments in VA hospitals or clinics.

A: Not unless the wife is herself a veteran .VA medical care is limited by law to veterans themselves.

Who remembers the old fashioned traveling man who used to make a living selling buggy whips?

DEDICATION OF ENGLEBRIGHT DAM SOON

It was announced yesterday that arrangements for the dedication of the Harry L. Englebright dam at the Upper Narrows of the Yuba River are progressing, with date for the event soon to be set.

The dedication, arrangements for which are in the hands of the California Hydraulic Mining Association, has the cooperation of the U. S. Engineering Corps and of the Pacific Gas and Electric Company. Governor Earl Warren, it was stated has agreed to attend, but due to his crowded calendar, it has not been possible to fix a date thus far.

A committee, of which Claude Clark, superintendent of the Relief Hill Mine is chairman, is providing a boulder on which to set the plaque.

"I am . . . shocked by the growing indifference and apathy toward our returning veterans . . ."
—GENERAL OMAR BRADLEY,
Chief, United States Veterans Admininstration

Here's California's Answer to Apathy, General!

California has the answer to apathy, General!

Proposition 2 will give the veterans of this State an assistance program second to none, supported NOT from legislative appropriations, NOT from new taxes, but from A GUARANTEED PERCENTAGE OF THE PROCEEDS OF STATE-SUPERVISED GREYHOUND RACING.

That makes sense to us, General, as veterans and as taxpayers.

California veterans want to see Number 2 win. They know California is not going to let her veterans down.

THIS STATE'S ANSWER TO APATHY IS

"YES" on 2

NEVADA CITY TACKLES INDIANS FRIDAY NIGHT

The Nevada City Yellowjackets will face the Marysville Indians in the second game of the Sierra Foothill League Friday night at the James S. Hennessy Field in Grass Valley.

Last week the Yellow Jackets and Bumblebees turned in decisive victories in the football season's opener against Placer Union.

Coach George Abbott is expected to use his last week's winning combinations in Friday night's starting lineup.

Last week's games had a large attdance and an equally large crowd is expected to see Nevada City meet the strong Marysville teams.

(For additional Football News see Henry Murphy's Nevada City High School Column elsewhere in this issue).

NEVADA CITY HIGH SCHOOL HIGHLIGHTS

NEVADA CITY "C" CHALLENGES MARYSVILLE

That rip, roaring "C" team will be off tomorrow afternoon at 3 when they meet Marysville on Nevada City's own field.

Undaunted by the reported Marysville strength or their past losses, they will be out there to show the same skill aand good sportsmanship that has been seen in their last games.

The starting lineup will probably feature Howe, Bjornstal, Rhodes, Hafelfinger, Randall, with Wjoick, Hatch, Worley and Merrimann held in reserve.

The Nevada City C team lost to Placer 16-10 and not 16-0, as formerly stated.

Their next game will be on October 25, when they will jopurney to Yuba City to battle it out with them.

LANGUAGE CLUB ELECTS OFFICERS

Members of the Language Club met recently to elect new officers for the 46-47 term.

Plans were discussed concerning the clubs annual assembly which will take place in the near future.

Newly elected officers are, Pres. Henry Murphy, vice pres., Jackie Sheldon, sec.-treas., Bernice Peterson. Following the election the Spanish 111 class volunteered to provide entertainment for the next meeting, scheduled for Tuesday, November 5.

Under the excellent guidance of Miss Evelyn Corr, language and English teacher, the club has functioned perfectly in past years and is off to a good start this term.

YELLOWJACKETS SWARM TO DEFEAT MARYSVILLE

Tomorrow afternoon the Yellowjackets and Bumblebees will share the Nevada City turf with Marysville in the second league game of the season. Cheered on by Coaches Abbott and Miller and their so recent victory over Placer, they have high hopes of winning over Marysville. With the team spirit and cooperation that they showed in the Placer bout, there is little doubt about the outcome which is surely to be in favor of Nevada City.

Lineup for tomorrows game follows: Bob Williams right end, Ray Nelson right tackle, Keith Marsh right guard, either Don Eden or Dale Berger at center, Stanley Bates or Don Rice left guard, George Pello left tackle, Dave Tobiassen right half, Ken Ronningen quarter, Hulbert Stroh left half and Fred Anderson full.

Left end was not mentioned above since Jack Coley, left end, injured his knee in the Placer game and will probably not be able to play.

For the Bumblebees: Norman Ellis left end, Ben Engstrom left tackle, Joe Bertion left guard, Bob Topliff center, Bill Kelley right guard, Ed Havey right tackle, Nick Pello right end, Bob Baker right half, Dick Penrose quarter, Melvin Steagell full, Leroy Down left half.

Another member of the varsity, John Morrison is recovering from a broken leg, received in the Sutter Creek game. However, John was not forgotten because he was recently presented the same ball which was used in the Sutter Creek and Placer games, all signed by his pals.

HEATERS QUICK DRY

One of the quickest ways to dry newly plastered walls, says the General Electric Consumers Institute, is to place a glowing portable electric heater in ront of the wet plaster. It's a common building practice.

ELKS MARK 47TH ANNIVERSARY

Nevada City Elks will tonight celebrate their forty seventh anniversary as a local fraternal organization.

Given its charter as Lodge No. 518 in 1899, the local lodge has been one of the principal social and charitable in the twin cities.

But three charter members remain and they will be toasted at tonight's banquet. They are Phil Scadden, Ralph Gaylord and James Colley.

John Webster is chairman of the dinner and will be assisted by the post ofice staff who are Elks.

The ladies of the lodge and out of town members will salute the 47th anniversary at the Elks Barn Dance on Saturday, November 2.

CHRISTIAN SCIENCE CHURCH

Christian Science Society of Nevada City holds services every Sunday in their church 114 Boulder St. at 11 o'clock. Sunday school at 9:45 a. m. A Wednesday evening testimonial meeting is held on the first Wednesday of each month at eight o'clock. Our reading room is now located in the church edifice at 114 Boulder St. and is open Mondays, Wednesdays and Fridays, holidays excepted from 2 to 4 p. m. The public is cordially invited to attend our services and visit the reading room.

Doctrine of Atonement is the subject of the Christian Science Lesson Sermon for Sunday, October 20 for which this golden text is taken from II Corinthians: All things are of God who hath reconciled us to himself by Jesus Christ and hath given to us the ministry of reconciliation.

The following citations are included in the sermon:

John 1-14: And the word was made flesh and dwelt among us and we beheld his glory the glory as of the only begotten of the father, full of grace and truth.

Science and Health with key to the scriptures by Mary Baker Eddy. The atonement is a hard problem in theology that its scientific explanations is that suffering is an error of sinful sense which truth destroys and that eventually both sin and suffering will fall at the feet of everlasting love.

PEANUT BUTTER SPREADING

To make peanut butter spread more easily blend it with a little milk, softened butter or margarine or salad oil says the General Electric Consumers Institute. For variety mix it with ground raisins moistened with fruit juice, hopped sweet pickles, cooked bacon and salad dressing, honey or jam.

WOMEN GOLFERS TO MEET OCTOBER 21

Women golfers of Grass Valley and Nevada City met at the clubhouse for an organization meeting October 14 and will gather again next Monday, October 21 for the election of officers and planning of the winter and spring program.

ALLEGED SPOT LIGHTING CASE WILL BE RESET

District Attorney Ward Sheldon announced yesterday that he will reset for trial the case against three alleged deer hunters, on whose guilt the jury in the Nevada Township Court disagreed six to six, reportedly, late Tuesday evening after sitting for two days. They were accused of spotlighting deer.

The three are C. C. Wilson, Millis Wilson and C. F. Rickard of Alta Hill, Grass Valley. They were arrested by Game Warden Earl Hiscox and Deputy Sheriff William Eddy on the Luther Ranch near North Bloomfield. The game warden and deputy testified they found in their possession a hunting knife covered with blood, a 3-battery flash light, and a rifle. Nearby was the carcas of a four pointer buck, freshly bleeding from having its throat cut. The clothes of two of the men were bloody.

The three men stated they had been marking calves, by slitting their ears, and had not been hunting. They were camping on the Luther Ranch and James Snell, defense attorney contended that all campers carry flash lights.

TWO FISHERMEN GET BIG BUCK

Casting for bass in Bullard's Bar, Frank Trudgeon and Ray Conway saw a deer come to water's edge and plunge into the water.

Conway took the oars. Trudgeon picked up a rifle in the bow and steadied on his knees for the bucks emergence on the other side of the lake. His shot was good. It was t three pointer weighing 150 pounds.

BROAD STREET

By Harley M. Leete, Jr.

And we quote veratim from the small print, "My favorite cities this week are Grass Valley and Nevada City, on acct. when the hunting season opens up thataway, the city fathers accept the inevitable: even the elementary schools are closed!"

A plug from our local chambers of Commerce? Nup-Nup. Guess again. Right there in the great San Francisco Chronicle, October 15, in the column of comment run by Mr. Herbert J. Caen. The fact that the whole column was labeled "Tripe a La Mode De Caen" has nothing to do with anything.

Townspeople can stop wondering why our column isn't as good as Caen's. He is a hotshot big city reporter and we, with plenty of honest hay in our hair yet, confine our "sphere of interest" just like it says at the top of the column, to "Broad Street."

For a GOOD column, and a new one, turn eusewhere in this paper to "Main at Mill" by D. Robert Paine, our newest Nugget.

Today a newspaper fellow ought to be stuffed with awed feelings a out the great new venture of becoming the Nevada City-Grass Valley Nugget et cetera. At this writing it seems simply a logical step in trying to provide greater reader interest so we'll have greater advertising interest, so we'll make more money.

To be of more service to the two communities is a pretty good point, but let's not beat around the bush, what we're really chasing it that old dollar sign. We want to fascinate more and more readers so they'll read the paper more and more avidly and be so struck by the ads that they'll rush down to the stores and buy out all the merchandise and leave our advertisers with the correct impression that they can't afford not to advertise heavily in the Nugget.

While you're filing that under WHY KID AROUND, we shall pass on to Topic No. 3 for today. Number 3 is today's SERIOUS THOUGHT. Now that the Administration has jerked the ceiling off meat, why don't they jerk all ceilings, except, say rents?

There would be a lot of inflation for a few months, and many would be burned. But a lot of folks are getting burned right now by the octupus like government restrictions. There would be, at first, a rocket-like price rise. Then, like a rocket, it would fizzle and plummet. BUT at least production would get under way. There would be merchandise on the shelves.

These Washington wiseacres that are fouling up the law of supply and demand ought to get off our backs now. Well, team there's your pep talk. Walk do not run, to the polls and vote Republican. Or even vote Democrat—but for heaven's sake, let's get the red-hots out and some sensible men in.

Before it's too late (Topic No. 4) get up to Nevada Street and look at the Eastern Maple in front of Hummelt's park. There trees and trees in this town and hundreds of them are beautiful, but this one, to coin a phrase, takes the cake. Gad! Words fail—an excellent phrase upon which to end a column of tripe a la Leete.

FBI SCHOOL HAS VARIED COURSE

The police training school for officers of Sierra, Nevada and Placer Counties sponsored by the FBI and the Gold Quartz Law Enforcement Officers Association entered its second week today. Classes are being held at the county court house in Nevada City from 1 p. m. to 4 p. m. and 8 p. m. to 10 p. m. during the entire week in order that all officers may participate.

Harry M. Kimball, special agent in charge of the San Francisco office of the FBI has designated special agent, D. R. Quinn to conduct courses in the following subjects: Cooperation of law enforcement agencies; investigation of burglary and robbery; road blocks, transportation of prisoners, location, identification and preservation of latent fingerprints.

William M. French, law enforcement officer of the Tahoe National Forest will conduct a class in moulage and plaster casting.

Chief Killick of the bureau of statistics Department of Motor Vehicles will present the latest on the subject of traffic accident reporting. Chief E. R. Cato of the California Highway Patrol has designated Captain Milo Hewitt and Ralph Sutton both of the Sacramento office of the California highway patrol to lecture on the subjects of traffic accident investigation and traffic engineering problems.

The California Highway Patrol, Nevada City police department, the Grass Valley police department, the sheriff's office and the U. S. forest service have been represented at the school.

WILLIAMS URGES HOWSER SUPPORT

Elton Williams, Nevada County Campaign Manager for Fred N. Howser for Attorney General, is carrying on an aggressive campaign for his candidate.

Williams, WW II veteran, Grass Valley native, member of the Fire Department, American Legion and other civic and fraternal organizations is requesting Nevada County support on the basis of Howser's long record of ability, impartiality and honesty as a public official.

Campaign Manager Williams, a member of the Grass Valley Republican Central Committee, has long been active in the local political field.

SPECIAL TRAINING

Because Red Cross chapters were faced with growing demands for assistance to families of servicemen as well as veterans special home service training courses were instituted in 1942 at Red Cross national headquarters. Since that time 940 persons have been trained. Many of the graduates of these courses in turn assisted in training additional workers in communities to which they returned.

The sound business principle is often the one that makes the least noise.

One way to make money is to save some of the money you are making now.
